The last date for receiving tenders is 5th September 1936.

Notification dated the 20th August 1936.

It is hereby notified for general information that sealed tenders will be received by the District Forest Officer, Sagar Division, till 2 P.M., on the 9th September 1936, for the purchase of 604 cft. of Teak Poles in the Timber Depot at Shikarpur.

2. The tender should be superscribed " Tender for the purchase of Teak Timber."

3. The delivery will be Ex. depot at Shikarpur.

4. The rates to be quoted should be per cubic foot for the entire quantity.

5. Each tender should be accompanied with a deposit of Rs. 100 in currency notes.

6. The acceptance of the tender rests with the Conservator of Forests, Shimoga, who may accept or reject the tender without assigning any reason therefor.

7. Within one week from the date of receipt of acceptance, the successful tenderer should pay up the full value of the timber. In the case of failure the amount paid as deposit will be forfeited and the timber resold at the risk of the tenderer who will be required to make good any loss but shall not participate in any profit from such resale. The amount due from such defaulter, on account of loss of resale, shall be recovered from him as a revenue demand under Section 79 of the Mysore Forest Regulation. In calculating such losses, the initial deposit forfeited to Government shall not be taken into account.

8. The earnest money of unsuccessful tenderers will be returned to them.

9. No timber should be removed from the premises of the Depot without getting it sold stamped and obtaining a permit thereof.

N.B.—The timber may be inspected at any time during working hours of the Depot.

Notification dated the 21st August 1936.

It is hereby notified for general information that sealed tenders will be received at the Office of the District Forest Officer, Sagar, up to 4 P.M., on 17th September 1936 for the annual clearing of the demarcation lines of the following Forests of the division during the year 1936-37.

2. Tenders should be submitted in the form given below showing the rates per mile at which the lines will be cleared and the debris burnt.

3. Each tender must be accompanied by a deposit of Rs. 50 in Government Currency notes as earnest money and must be sealed and superscribed as " Tender for the annual clearing of the demarcation lines of the Forests in the Sagar Division " failing which it will be rejected.

4. Final acceptance or otherwise of the tender will rest with the District Forest Officer, who does not bind himself to accept the lowest or any other tender and reserves to himself the right to reject any tender without assigning any reason therefor.

5. Within eight days from the date of intimation of the acceptance of the tender, the successful tenderer will be required to execute an agreement on a stamped paper of proper value, failing which his offer will be cancelled and the earnest money forfeited.

6. The earnest money of the successful tenderers will be retained as security for the due fulfilment of the conditions of the agreement and returned after the termination of the period of contract and that of others returned after the results of the tenders are announced.

7. The tenderer must quote rates per mile for each Forest.

Further conditions.

(*a*) The standard width of all the demarcation lines is generally 66 feet unless otherwise stated and of the enclosures 33 feet. This width should be maintained and any deviation guarded against by clearing 10 feet guide lines on either side of the line leaving an intervening space of 46 feet. All grass and regrowth must be cut level with the ground and the debris removed and heaped in the middle of the line. The guide lines must not be burnt but cleared of all inflammable materials by sweeping. The space between the two guide lines must be cleared and burnt under the supervision of the local Range Officer.

(*b*) The clearing of the regrowth should be completed by 15th December and burning completed by the 15th February 1937. On no account should the burning be done after that date.

(*c*) During the course of the operation (from the beginning to end), the contractor shall be guided by the Range Officer in charge of the Range. He will be held personally responsible for all acts of himself and his men against the rules of the department. The security furnished by him is liable to be forfeited in whole or in part, as the case may

be, for the breach of any of the conditions of agreement or acts committed in contravention of the rules besides taking action departmentally.

(*d*) Payment will be made only on bills passed by the Range Officer after the full length of each Forest is cleared and burnt as per rules and no advances will be given for the work.

The tender should be in the following form :—

H. S. RANGACHAR,
District Forest Officer.

BHADRAVATI DIVISION.

Notification, dated 18th August 1936.

1. Sealed tenders for preparation of charcoal by direct burning and also in cast iron and country Kilns, filling the same into bags, stitching and carting to rail heads for supplying to the Mysore Iron and Steel Works, Bhadravati, during the year 1936-37 from 1st November 1936 will be received by the District Forest Officer, Bhadravati Division, up to 4 P.M., on Thursday the 12th September 1936.

2. Each tender should be superscribed "Tender for Preparation and Supply of Charcoal" and should be accompanied by a deposit of Rs. 50 in currency notes in each case.

3. The localities in which charcoal has to be prepared and the name of siding to which the same has to be carted are detailed below.

4. The Conservator of Forests, Shimoga, will be at liberty to accept or reject the lowest or any tender without assigning any reason therefor. In the case of unsuccessful tenders the deposit amount tendered by them will be returned.

5. Within fifteen days, from the date of intimation of the fact of approval, the successful tenderer shall furnish a security of Rs. 100 and execute a bond on a duly stamped paper binding himself to the conditions noted below, failing which the earnest money already furnished will be forfeited to Government and the contract cancelled.

6. Rate should be quoted per bag of 48″×29″ size separately for different items of work in each locality as per details given below.

7. The particulars of working centres and the approximate quantity proposed to be prepared and supplied from each working area have been detailed below.

8. The contractor is responsible for filling bags with good and screened charcoal, stitching the same, carting to rail heads and loading the bags into wagons. Bags, thread, and needles required for the purpose will be supplied to them through the Mysore Iron and Steel Works, Bhadravati, on indent near the station yard to the duly authorised person.

Conditions.

(1) Only such of the trees as are not marked by the Range Officer in charge of fuel works should be felled.

(2) While doing the works, the contractor should see that no damage is caused to any tree by negligence in felling or cutting and dragging any tree or by stripping off the bark or leaves or otherwise. The contractor should not fell, cut, girdle, or injure by fire or otherwise any tree which is not intended for felling.

(3) For bad coppicing an amount to be specified by the Sub-Division Officer will be deducted from the security deposit of the contractor.

(4) Similarly for felling of Teak, Honne and soft wooded species unfit for charcoal in the area allotted to him.

(5) Felling of trees outside the coupes is prohibited.

(6) All the fuel felled out of a tree should be utilised.

(7) Fellings should be made in a methodical manner from one side leaving the standards marked on the area intact along with trees less than one foot in girth; trees yielding Minor Forest Produce and all trees that are within a radius of six feet from Sandal trees and saplings should not be cut.

(8) The tools and other instruments required for charcoal preparation should be provided by the contractor himself. In burning charcoal, the contractor should not kindle any fire in such manner as to endanger the forest growth.

(9) The areas should be worked from one end to the other thoroughly and not in patches here and there.

(10) The bags should be carefully handled and well looked after.

(11) The tenderer must not sublet his work. The contractor or his duly authorised representative must be at the work spot always.

(12) The minimum weight of each bag of charcoal should be not less than 80 lbs. For lesser weights deductions will be made.

(13) No advance under any circumstances will be granted for the work, payments will be made only on bills passed by the Sub-Division Officer and supported by the acknowledged invoices of the Iron Works, once a fortnight.

(14) The contractor will be responsible for the acts of his coolies. A list of agents appointed should be supplied and the contractor or one of his agents should personally supervise the work.

(15) If the contractor fails to supply the stipulated quantity each day, his contract is liable to be cancelled making him responsible for all the losses that might occur therefrom.

(16) The orders of the District Forest Officer in all matters connected with the supply of charcoal will be final and in case of any breach of the rules, he may fine the contractor to the extent of Rs. 25.

(17) The contractor is held responsible for the loss of bags or materials lost in transit.

(18) The charcoal prepared by the contractor should be without braize and also free from particles of fire, etc. In cases where badly filled bags or charcoal containing braize are sent, the District Forest Officer will be at liberty to disallow charges on any percentage of bags he deemes fit.

(19) All the instructions issued by the concerned Range Officer should be adhered to.

(20) The amount deducted from the Security Deposit should be made good from the next bill.

(21) For the day or days on which the contractor fails to supply the allotted quantities of charcoal, he will be liable to pay a penalty of 0-0-3 a bag on the number of bags due to have been carted unless the Sub-Division Officer certifies that it was due to circumstances beyond the contractor's control. In such cases the Department will also be at liberty to arrange amani carting.

(22) The contractor shall abide by the rules of the Department as regards the kindling of fires and shall hold himself responsible for any forest offences that may be committed by himself, his agents, employees or workmen.

1. The auction sale will commence at 2 P.M., and if it is not concluded on the same day, will be continued on the next following day.
2. Defaulters on account of previous leases will not be permitted to bid.
3. Intending bidders must be in a possession of a certificate from the Amildar of the Taluk in which they reside, vouching for their solvency. No person will be allowed to bid in the absence of such certificate.

4. No person will be allowed to bid unless he has deposited with the Officer holding the sale a sum of Rs. 10 which must be deposited in the form of currency notes. The deposits of unsuccessful bidders will be returned, *i.e.*, immediately after the sale.

5. The exclusive right of collecting and removing the produce above described will be disposed of to the highest bidder subject to the confirmation of the District Forest Officer or the Conservator of Forests as the case may be, who at his discretion may accept or reject the highest or any other bid without assigning any reason therefor.

6. The successful bidder shall, at the close of the sale, credit into the District Treasury or in any Taluk Treasury, the entire sale amount, including the deposit already made, together with Local Cess at one anna per rupee, Education Cess at six pies per rupee and Railway Cess at three pies per rupee. In default, the deposit will be forfeited and the right resold. Such resale will be at the risk of the defaulting purchaser, who will be liable to make good any loss that may result to Government by it, but will not participate in any profit accruing therefrom.

N.B.—If the deficit is not paid, it will be recovered as a revenue demand.

7. If the sale is not confirmed, the amount will be refunded.

8. The accepted bidder shall execute an agreement within fifteen days of the intimation of the confirmation of the sale, binding himself to observe the conditions hereunder mentioned duly furnishing a security deposit equal to one-fourth of the sale amount. In default, the acceptance of the bid will be revoked, the money already paid forfeited and the right resold.

Further conditions to be entered in the agreement are—

(*a*) The lessee shall hold himself responsible for the cutting or injuring of any other trees on the plea of collecting the produce. The lessee shall be held personally responsible for the acts of his agents or servants.

(*b*) The lessee shall furnish a list of sub-contractors, agents or servants who may be appointed by him for the collection of the produce.

(*c*) The lessee shall work out the lease himself and not transfer or sublet it to others without the previous sanction of the District Forest Officer or the Conservator of Forests.

(*d*) The coolies employed by the lessee must take permission from the Range Officers before they enter State Forests.

(*e*) The lessee shall keep and render accounts every month to the District Forest Officer of the produce collected and removed by him or his agents during the month. His accounts will be liable for the inspection of the Conservator of Forests or the District Forest Officer or by any other Officer deputed by either of them.

(*f*) The lessee, his agents or servants shall render all possible help in preventing the occurrence of fires in forests in which he or they may be working and render prompt assistance in extinguishing such fires as may break out accidentally.

(*g*) The lessee shall remove out of the limits of the Forest all produce collected and sold under the terms of the lease before the close of the official year.

(*h*) Neither the lessee nor his servants shall enter the State Forests either before sunrise or after sunset.

(*i*) The lessee is allowed to collect the Honge seeds and leaves in the Amrit Mahal Kavals only after the cattle have grazed and left the Kaval.

9. In the event of the breach of any of the above conditions, the lease will be liable to be cancelled and the lessee fined to the extent of Rs. 100, which will be recovered as an arrear of revenue demand.

Notification dated 15th August 1936.
